SCHILD WINERY

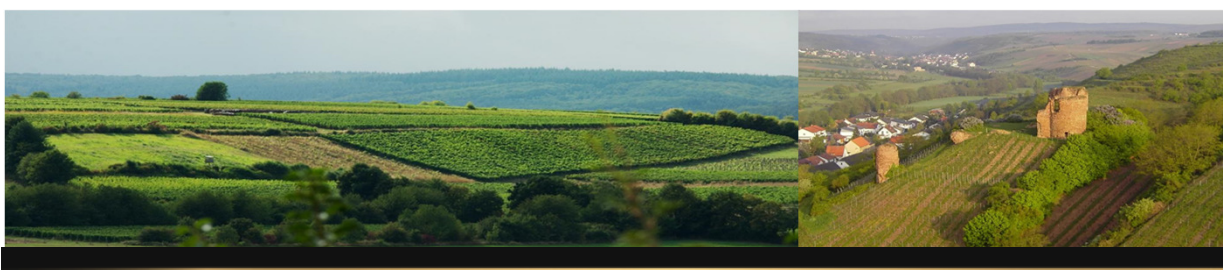

Wine Liste April 2021 Sum Head

In 2010 Olaf Schild, together with his wife Monika and son Jonathan, took over the family winery. Olaf has been professionally involved with Asia for more than 25 years and feels that Asian have been missing the opportunity to enjoy quality German Wine at reasonable price. Bring the wines directly for the vineyard for you to enjoy, you are ensured quality at a bargain.

The grapes are grown in the NAHE and RHEINHESSEN Region, which has a variety of 120 different soils and bless with the perfect weather, which in turn gives our wine a fruity, slightly acidity taste and great aroma. Our best seller is our RIESLING, and depending on your pallet, we have a choice of dry, semi-dry and sweet. This wine goes well with seafood or spicy Asia food. We also highly recommend our PINOT, and you have a choice of White or Reds. It would be great to share either of this wine with someone special. For those who prefer a wine with full body, we suggest that you try our Cabernet. This wine is great to be paired with meat dishes.
